Re: *United States v. Alexey Gavino* – 22-cr-136 (RPK)

Dear Judge Kovner:

We write, without objection from the government, to request that the August 26, 2024 trial date in the above-captioned case be adjourned and that the Court convert the August 26, 2024 trial date to a status conference.

The defense submitted mitigation materials to the government in an effort to resolve the case short of trial, and the government needs additional time to review the materials. The defense requests an adjournment of the trial date to give the government time to review the materials and enable the parties to continue their plea negotiations. The parties further consent to the exclusion of time until the next status conference.

Thank you for your time and consideration.

Respectfully Submitted,
